Dear Zixuan Tang,

We're pleased that you'll be able to join us as a WWDC18 Scholarship recipient. A conference ticket and room will be assigned to you.

Lodging

You will be assigned to a double dorm room shared with one other scholarship recipient of the same gender on the San Jose State University campus. Conference staff will be available at the dorms each day, with a designated staff member for each floor. If you're under 18, a staff member will escort you to and from the McEnery Convention Center. Apple will provide concierge service at the dorms, available 24 hours a day.

Scholarship Orientation

Join us on Sunday, June 3, 2018 to hear insights from Apple engineers and receive suggestions from Apple staff on how to get the most out of WWDC. Details will be provided soon.

Getting to WWDC

The McEnery Convention Center is a 15 minute walk (about 0.6 miles or 1 km) from the dorms.

Public Transportation and Parking

Santa Clara Valley Transportation Authority (VTA) provides light rail and bus service throughout San Jose and neighboring cities, with a station across the street from WWDC. Convenient parking is available at the convention center garage and nearby lots. For details, visit sanjose.org.

Apple Developer Program Membership

You'll receive one year of membership in the Apple Developer Program at no cost starting May 1, 2018. If you're already part of the program, your membership will be renewed for one year once your current membership expires.

We'll email you with more information a couple of weeks before the conference. If you have any questions, [contact us](#).

Best regards,
